The Tweed Foundation PRIVACY NOTICE

The Tweed Foundation holds certain personal data for the purpose of fulfilling its charitable objects as set out in its Constitution, which includes the conservation and enhancement of all freshwater fish species and their environments in the Tweed catchment; provision of education for all in understanding aquatic ecosystems and the need for their protection; and, the development of other such charitable purposes which relate primarily to, but are not limited to, the conservation and management of fish and fishery resources, the riverine environment, education and the participation in sporting or recreational activities in connection with those resources in the District. We will only pass personal data to third parties without the consent of the data subject where it is necessary for us to do so in support of the fulfilment of our charitable objects. Data is held subject to our Data Handling Policy. The Trust's responsible officer for data is the Administrator, Miss M Kerr, and any queries regarding this Privacy Statement should be directed at her.
